___________________________________________________________
___________________________________________________________
___________________________________________________________
IV. Attestation

The undersigned official inspector hereby certifies that the fishery products described above:

2) in the case of bivalve molluscs, they have in addition been harvested and handled in accordance with the relevant provisions of Regulations (EC) No 852/2004, (EC) No 853/2004, (EC) No 854/2004 applicable to live bivalve molluscs;

3) have been produced in accordance with the relevant provisions of the official Norwegian Quality Regulations relating to Fish and Fishery Products of 14 June 1996.

4) the aquaculture animals and the products are free from pathogens causing OIE listed diseases relevant to the species,

5) the aquaculture animals are harvested from a production unit/population that shows no clinical signs of disease and are not intended for destruction or slaughter for disease control purposes.

6) for cold smoked products: cold smoking has been carried out between 17-30 degrees Celsius for not less than 7 hours.

7) part IV.4 does not apply to:
   (a) fish which are slaughtered and eviscerated before dispatch
   (b) aquatic animals and products thereof placed on the market for human consumption without further processing, provided that there are packed in retail-sale packages which comply with the provisions for such packages in Regulation (EC) No 853/2004.
