Sum: __________________________

II. Origin of protein or product

Address and approval number of preparation or processing establishment:

Name and address of consignor:

III. Destination of protein or product

The product is to be dispatched from:

(Place of dispatch)

to:

(Country and place of destination)

by the following means of transport:

Name of consignee and address at place of destination:

IV. Attestation

The undersigned official inspector hereby certifies that the product described above:

1) has been handled, prepared, processed, marked, packaged, stored and transported in accordance with the relevant provisions of Regulations (EC) No 178/2002, (EC) No 852/2004, (EC) No 853/2004 and (EC) No 854/2004;

2) contains exclusively non-mammalian and non-ruminant protein;

3) was entirely derived from fresh fish material which have been found fit for human consumption;

4) was produced in a processing establishment dedicated to fish meal production. Material of other animals, including ruminants, or poultry is not received, stored or used in this establishment;

5) the end product was packaged in new packing material¹ or in the case of dispatch as bulk transport: container or any other means of transport was thoroughly cleaned and disinfected with a disinfectant approved by the competent authority before use;

6) the end product was stored in enclosed storages;

7) the end product has undergone all precautions to avoid recontamination with pathogenic agents after the treatment.
