

Our reference number:

**CERTIFICATION OF PROCESSING PLANT  
PRODUCING FISH MEALS/PROTEINS  
INTENDED FOR EXPORT FROM NORWAY TO THE STATE OF ISRAEL**

I, the undersigned official inspector, hereby certify that:

the processing plant: \_\_\_\_\_  
(name)

Located at: \_\_\_\_\_  
(address, postal number, city)

With approval number: \_\_\_\_\_

1. Is certified by the Norwegian Food Safety Authority as a processing plant dedicated to the manufacturing of meal of fish.
2. Is supervised by the Norwegian Food Safety Authority.
3. Manufactures meals in accordance with Norwegian and EU laws and regulations, which may be freely sold for animal feeding in the same country, complying with approved good manufacturing practice.
4. Has in place, implements and maintains food safety programs based on HACCP principles, which are approved and validated by the competent authority.
5. Has routines to ensure that the fish meal/proteins are produced from fish exclusively, is dedicated to production of fish meal/protein and has undergone all precautions to prevent contamination.
6. Has routines to ensure that the final product does not contain and is not contaminated with commodities that should not be traded as defined in the B.S.E. chapter of the OIE terrestrial animal health code.
7. Random samples taken for enterobacteriaceae and Salmonella spp., during or after storage, comply with the following standards<sup>1</sup>:  
*Salmonella: absence in 25 g: n=5, c=0, M=0*  
*Enterobacteriaceae: n=5, c=2, m=10, M=300 in 1 g*
8. Has precautions in place to prevent the contamination of final products with pathogenic agents.
