

NORWAY

NORWEGIAN FOOD SAFETY AUTHORITY

**CERTIFICATION OF PLANTS PRODUCING FISH MEALS/PROTEINS,
INTENDED FOR EXPORT FROM NORWAY TO THE STATE OF ISRAEL**

I the undersigned Official Inspector hereby certify that:

the processing plant: _____
(name)

Located at: _____
(address, city, state, zip code)

With approval number: _____

1. Is certified by Norwegian Food Safety Authority as a processing plant dedicated to the manufacturing of meal of fish.
2. The processing plant is supervised by the Norwegian Food Safety Authority.
3. Manufactures meals in accordance with Norwegian and EU laws and regulations, which may be freely sold for animal feeding in the same country, complying with approved good manufacturing practice.
4. The establishment has in place, implements and maintains food safety programs based on HACCP principles, which are approved and validated by the competent authority.
5. The fish meal/proteins is produced from fish exclusively and the processing plant is dedicated to production of fish meal/protein, and has undergone all precautions to prevent contamination
6. The finished product does not contain and is not contaminated with commodities that should not be traded as defined in the B.S.E. chapter of the OIE terrestrial animal health code.
7. Random samples taken for enterobacteriaceae and Salmonella spp., during or after storage, comply with the following standards (1):

Salmonella: absence in 25 g: n=5, c=0, M=0

Enterobacteriaceae: n=5, c=2, m=10, M=300 in 1 g

8. Have precautions in place to prevent the contamination of finished products with pathogenic agents.
