

INFORMATION ON MEASURES TAKEN IN THE CASE OF THE MOVEMENT OF DOGS, CATS OR FERRETS (PETS) INTO NORWAY WHERE THE RULES HAVE NOT BEEN COMPLIED WITH

Purpose of the document

This document is for use when the animal-health conditions for the non-commercial importation of dogs, cats or ferrets (pets) into Norway from another country or from Svalbard have not been fulfilled on arrival. The document contains information for the owner/person responsible for the animals concerning the actions that the Norwegian Food Safety Authority may decide to take. The document also acts as documentation of the wishes of the owner/person responsible for the animals.

Details of the pets and the person accompanying them

Last name:	First name:
------------	-------------

National ID no. / D no. / Passport no.	Tel.:
--	-------

Address:

Pet (no. of animals, species, breed):	Identity no. / Certificate no. / Passport no.

Country imported from:

Conditions for importing pets – general

The animal-health conditions for bringing pets into Norway are set out in [Regulations no. 542 of 19 May 2016 concerning the non-commercial movement of pets \(the Pet Regulations\)](#). Regulations concerning [special protective measures](#) may also be issued.

Conditions for importing pets from the EEA

The following conditions for the importation of pets from the EEA are considered **not** to have been fulfilled on arrival (*check as appropriate*):

ID marking ⁽¹⁾	
Rabies vaccination ⁽²⁾	
Treatment against <i>Echinococcus multilocularis</i> in the case of importation of dogs ⁽³⁾	
Passport or health certificate ⁽⁴⁾	
Owner's declaration or travel documentation when the importation takes place separately from the owner ⁽⁵⁾	
Other (e.g. conditions set out in the regulations concerning special protective measures). Specify in detail (use a separate sheet if required):	

Conditions for the importation of pets from countries or territories outside the EEA

The following conditions for the importation of pets from countries or territories outside the EEA, incl. Svalbard, are considered **not** to have been fulfilled on arrival (*check as appropriate*):

ID marking ⁽⁶⁾	
Rabies vaccination ⁽⁷⁾	
Rabies antibody titer ⁽⁸⁾	
Treatment against <i>Echinococcus multilocularis</i> in the case of importation of dogs ⁽⁹⁾	
Identification document (health certificate with declaration or passport) ⁽¹⁰⁾	
Other (e.g. conditions set out in the regulations concerning special protective measures). Specify in detail (use a separate sheet if required):	

Supplementary requirements for the importation of more than five pets

The following supplementary requirements for the importation of more than five pets are considered not to have been fulfilled on arrival (*check as appropriate*):

Written proof of participation in a competition, exhibition or sporting event or training for such events ⁽¹¹⁾	
---	--

Preferred outcome of the owner/person responsible

The following alternative is preferred (*check as appropriate*):

Pet(s) returned to the country or territory of origin.	
Pet(s) held/isolated until the import conditions are fulfilled. Includes also the option of housing the animal(s) at the AirPet isolation and quarantine facility with which the Norwegian Food Safety Authority has an agreement.	
Pet(s) euthanized.	

Declaration concerning cost coverage

When animal-health conditions for the non-commercial movement of pets into Norway from another country or Svalbard are not fulfilled on arrival, the owner/person responsible for the animal(s) is liable for the costs thereby incurred⁽¹²⁾.

The owner/person responsible for the animal confirms by signing the document that the information concerning which actions the Norwegian Food Safety Authority may undertake has been received and understood. The signature also serves as documentation of statements about the matter by the owner/person responsible for the animal(s) and confirmation that the owner/person responsible for the animal(s) accepts liability for covering costs incurred in connection with implementation of relevant measures.

Date/place:	Signature of owner/person responsible for the animal(s):
-------------	--

Details of holding facility

Company name:

Address:	Tel.:

Information concerning further procedures

The Norwegian Food Safety Authority will determine which actions to undertake. The decision will be made in accordance with the Pet Regulations, Section 11; see Regulation (EU) no. 576/2013, Article 35. If possible, the Norwegian Food Safety Authority shall take account of the wishes of the owner/person responsible for the animal(s).

Depending on the situation, the decision will be made by the regional Norwegian Food Safety Authority or by the Norwegian Food Safety Authority's emergency response officers (if required outside of working hours).

(¹) See the Pet Regulations, Section 2; see Regulation (EU) no. 576/2013, Article 6, letter a and Article 17, no. 1.

(²) See the Pet Regulations, Section 2; see Regulation (EU) no. 576/2013, Article 6, letter b and Annex III. Note the exception for animals from Sweden; see the Pet Regulations, Section 5.

(³) See the Pet Regulations, Section 2; see Regulation (EU) no. 576/2013, Article 6, letter c and Section 4; see Regulation (EU) no. 1152/2011, Article 7, Article 8, no. 1 and Annex I.

(⁴) See the Pet Regulations, Section 2; see Regulation (EU) no. 576/2013, Article 6, letter d, Article 21 and Article 22; and Section 3; see Regulation (EU) no. 577/2013 Annex III, parts 1 and 2. Note that a health certificate may be an alternative to a passport for animals that originally come from a territory or a state outside the EEA; see the Pet Regulations, Section 2; see Regulation (EU) no. 576/2013, Article 24.

(⁵) See the Pet Regulations, Section 3.

(⁶) See the Pet Regulations, Section 2; see Regulation (EU) no. 576/2013, Article 10, no. 1, letter a and Article 17 no. 1.

(⁷) See the Pet Regulations, Section 2; see Regulation (EU) no. 576/2013, Article 10, no. 1, letter b and Annex III.

(⁸) See the Pet Regulations, Section 2; see Regulation (EU) no. 576/2013, Article 10, no. 1, letter c and Annex IV. Note the exception for animals from listed territories and states outside the EEA; see the Pet Regulations, Section 2; see Regulation (EU) no. 576/2013, Article 12.

(⁹) See the Pet Regulations, Section 2; see Regulation (EU) no. 576/2013, Article 10, no. 1, letter d and Section 4; see Regulation (EU) no. 1152/2011, Article 7 and Annex III.

(¹⁰) See the Pet Regulations, Section 2; see Regulation (EU) no. 576/2013, Article 10, no. 1, letter e, Article 25 and Article 26; and Section 3; see Regulation (EU) no. 577/2013 Annex IV. Note that a passport may be an alternative to a health certificate in the case of importation from certain listed territories and states outside the EEA and in the case of returning animals that originally come from the EEA; see the Pet Regulations, Section 2; see Regulation (EU) no. 576/2013, Article 27.

(¹¹) See the Pet Regulations, Section 2; see Regulation (EU) no. 576/2013, Article 5, letter b.

(¹²) See the Pet Regulations, Section 2; see Regulation (EU) no. 576/2013, Article 35, no. 3.
